What we are doing:

Investing approximately \$15.5 million to rehabilitate five bridges on I-96, from just east of Milford Road to just west of Kent Lake Road, in Lyon and Milford townships. The bridges include I-96 over the Huron Valley Trail (South Lyon Rail Trail), I-96 over Milford Road (2), I-96 over Kent Lake Road and I-96 over the Huron River. The work will begin July 2011 and end November 2012 with a winter shutdown period from Dec. 1, 2011, through March 31, 2012.
